

MARKET UPDATE

- Marginal change to the All share index today as market activities were largely tamed. The All share index inched up by 26bps today ; up 16.26% year-to-date.
- A total of 22 stocks gained points while 35 stocks lost points.
- Structured/Cross Trades – Transcorp, Zenith, Diamond, Skye, WAPIC and FCMB.
- Another quiet trading day- only Guaranty (\$1.11mn) through \$1mn on the day. Market activities seem to have slowed down now after a blistering start to the year. We expect pick-up in activities closer to the time FY17 results will be released by listed companies.
